

APP INSTRUCTIONS

Registration

1. Click Register for Account Now

The screenshot shows the 'Pharmacy Name' registration screen. At the top, there is a header with 'Pharmacy Name' and a background image of pharmacy bottles. Below the header, there are two input fields: 'Username' and 'Password'. A link 'Forgot your username and/or password?' is located below the password field. A checkbox 'New to this application?' is present, and a prominent teal button labeled 'Register for an Account Now' is at the bottom. The RxLocal logo and version 'v 3.0.0' are visible at the very bottom.

2. Select state>city>pharmacy

The screenshot shows the 'Select State' screen. It features a search bar at the top with a magnifying glass icon. Below the search bar is a list of US states: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, District of Columbia, and Florida. A teal 'Cancel' button is in the top left corner.

The screenshot shows the 'Select City' screen. It has a search bar at the top with a magnifying glass icon. Below the search bar, the city 'Anchorage' is listed. A teal 'Back' button is in the top left corner.

The screenshot shows the 'Select Location' screen. It features a search bar at the top with a magnifying glass icon. Below the search bar, the location 'Bernies Pharmacy, Inc. 4100 Lake Otis Pkwy Ste 200' is displayed. A teal 'Back' button is in the top left corner.

3. Input Last Name, RX Number, and Date of birth
(All Three of these fields need to match our database if not please call us)

The screenshot shows the 'Patient Information' screen. It has a teal header with 'Patient Information' and a 'Cancel' button. Below the header, there is a text prompt: 'Enter the patient information below to continue with the registration process.' There are three input fields: 'Patient's Last Name', 'Rx Number', and 'Patient's Date of Birth'. A 'Continue' button is at the bottom. A keyboard is visible at the bottom of the screen.

4. Input Username and Password

The screenshot shows the 'Create a Username' screen. It has a teal header with 'Create a Username' and a 'Cancel' button. Below the header, there are two input fields: 'Username' and 'Email Address'. A 'Continue' button is at the bottom. A keyboard is visible at the bottom of the screen.

5. Set Pin Number
(You will use this going forward)

The screenshot shows the 'Create a PIN Number' screen. It has a teal header with 'Create a PIN Number' and a 'Cancel' button. Below the header, there is a text prompt: 'Create a 4 to 6 digit PIN to access your account from your mobile device. You will be asked for this PIN number every time you open the app.' There is a numeric keypad with numbers 1-9, 0, and a backspace icon. A 'Save' button is at the bottom. A keyboard is visible at the bottom of the screen.
